How can I make money with Jumia Affiliate Marketing?

To make money from Jumia affiliate program, the mathematics is very simple, let say you refer 2000 people to jumia website and out of the 2000, 1% referred purchase a product (phone) worth of #20000. As we know they pay us commission only when people we refer purchase from the website. That is to say that 20 people bought the phone through you. And they pay up to 11% commission, and 11% of 20000 is $2000 \times 11\% = 2200$ (forty four thousand naira). More sale = more commission = \$\$\$

So, how can you achieve this?

Make money online on Jumia Affiliate program,

Setup a blog or website. How can you set up a blog?

There are two types of blog that you can set up. You can set up a free hosted blog or self-hosted blog. You can start a Blog using any of these platforms, wordpress or blogger platform

For free blogger platform visit www.blogger.com and create a free blog website, your website URL will look like this; <http://yourname.blogspot.com> or Wordpress.org to register a free website to look like <http://yourname.wordpress.com>.

But I will suggest you start with a self-hosted plan for the business and professionalism.

I have written a concise and an exceptional article on [how to start successful blogging](#) in Nigeria; read it and digest all it takes to set up a paid or self-hosted blog. If you get suck, don't forget to hit on me on this email address - **immax2005@gmail.com**. I will be there to help you out.

If you need a professional looking blog like **www.naijaonlinebiz.com**, don't hesitate to inform me, it is just what I do for a living.

Creating free blog is very easy and simple; each of the platforms will guide you through during the signing up and creation of the blog which may last up to 20 minutes. If you have an existing blog with post or article, they will be no need to start a new blog. If you are done, proceed to jumia to login to the partner program page, <https://kol.jumia.com>
